FOR IMMEDIATE RELEASE

YOUR CITY HERE – Preview Screening of PBS documentary, Evolution of America: 1619 to Today, at YOUR LOCATION on DATE AND TIME.

YOUR LOCATION is pleased to host a preview screening of “Evolution of American: 1619 to Today” documentary on *DATE AND TIME*. “Evolution of America: 1619 to Today” explores the history and events of 1619 Virginia and how that decisive year affected the growth and development of America.

The hour-long documentary uses appealing visuals, creative animation, original music, and insightful interviews with subject matter experts to illustrate the events in the Virginia colony that would profoundly influence the ongoing American narrative. The documentary, produced by Cinébar Productions, is one of the legacy projects supported by the 2019 Commemoration, American Evolution.

The 2019 Commemoration, American Evolution, highlights events that occurred in Virginia in 1619 that continue to influence America today through featured programs, events and legacy projects like the documentary. The year 1619 was a pivotal year in the establishment of the first permanent English Colony in North America, the first representative legislative assembly in the New World, the arrival of the first recorded Africans to English North America, the recruitment of English Women in significant numbers, the first official English Thanksgiving in North America, and the entrepreneurial and innovative spirit of the Virginia colony.

Cinébar Productions, Inc. specializes in motion media productions for permanent and temporary exhibits, orientation, marketing, educational outreach, fundraising, and nationally broadcast documentaries.
