

Co-Programming Ideas

We have over 250 partners around the state just like you. [Register for our partner directory](#), then get in touch with like minded sites for co-programming or promotion opportunities.

- Community organizations and historic sites can host a progressive tour, or a walking/ biking tour between sites for the summer months.
- Artisan networks can work with local libraries, breweries, wineries, or historical sites to host a craft fair
- Museums can partner with locally owned wineries and breweries to host lectures or book talks in a novel environment
- All organizations can partner with local chamber of commerce to host a networking night for business leaders and up and coming entrepreneurs in the community
- Reach out to your local 2019 Commemoration School (see listing [here](#)) with field trip ideas in the community or offer to bring a mobile lesson to them.
- Partner with your local government to host open houses and celebrate 400 years of Representative Government
- Host a voter registration drive at a local historic site, community organizations, or local wineries and breweries
- Invite your local government officials to a meet and greet in a casual setting, like a local historic site or locally owned restaurant or coffee shop.
